Order Picker Platforms are built to work exclusively with your equipment. They can be designed to meet your specific needs. Consult us for custom designed platforms.

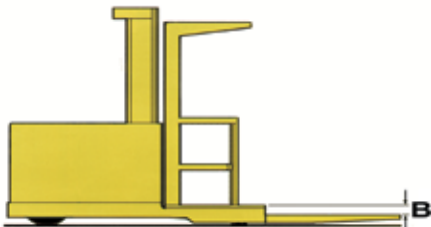

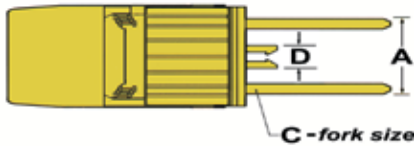

## STEEL ORDER PICKER PLATFORMS

### FEATURES:

- **Smooth Top Deck** allows for ease of moving product on and off platform.
- **Full length fork pockets** secure platform to truck. Minimal spacing inside pockets assures tight fit to reduce platform movement.
- **Pallet Grab block** locks platform to Order Picker for Security
- **Heavy Duty Construction** gives platforms a capacity of 1500lbs.
